The Company estimates that the net proceeds from the offering of the Senior Notes (after deducting discounts of the Initial Purchasers and estimated offering expenses payable by the Company), will be approximately US\$989.0 million. Certain circumstances that will constitute a change of control are described in this announcement. The disclosure relating to the right in favor of the holders of the Senior Notes to require the Company to repurchase the Senior Notes is made pursuant to Rule 13.18 of the Listing Rules.

Ranking of the Senior Notes

The Senior Notes will be general unsecured obligations of the Company and will (1) rank equally in right of payment with all of the Company's existing and future senior unsecured indebtedness, (2) rank senior to all of the Company's existing and future subordinated indebtedness and any related guarantees thereon, if any, (3) be effectively subordinated to all of the Company's existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness, and (4) be structurally subordinated to all existing and future liabilities of the Company's subsidiaries, including the WM Cayman II Revolver. As of 30 June 2025, the Group had long-term debt of US\$1,141.7 million under the WM Cayman II Revolver in accordance with U.S. GAAP, and the Group may incur additional secured and/or unsecured indebtedness and other obligations in the future.

Events of default

The events of default under the Senior Notes include, among others:

- (1) default for 30 days in the payment when due of interest on the Senior Notes;
- (2) default in the payment when due (at maturity, upon redemption, repurchase or otherwise) of the principal of, or premium, if any, on the Senior Notes;

(3) failure by the Company to comply with:

- a. any payment obligations (including, without limitation, obligations as to the timing or amount of such payments) relating to the repurchase by the Company of the Senior Notes at the option of the holders of the Senior Notes upon certain change of control events or special put option events as described in the Indenture; and
 - b. the covenants relating to merger, consolidation or sale of assets;
- (4) failure by the Company for 60 days after receipt of written notice from the Trustee or the holders of at least 25% in aggregate principal amount of the Senior Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture not identified in paragraphs (1), (2) or (3) above;
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or any of its subsidiaries (or the payment of which is guaranteed by the Company or any of its subsidiaries), whether such indebtedness or guarantee existed on the date of the Indenture, or is created after the date of the Indenture, if that default results in the acceleration of such indebtedness prior to its express maturity, and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness the maturity of which has been so accelerated, aggregates US\$50.0 million (or the equivalent thereof) or more, if such acceleration is not annulled within 30 days after written notice as provided in the Indenture;
- (6) failure by the Company or any of its Significant Subsidiaries to pay final non-appealable judgments rendered against the Company or any Significant Subsidiary aggregating in excess of US\$50.0 million (or the equivalent thereof), which judgments are not paid, bonded, discharged or stayed for a period of 60 days; or
- (7) certain events of bankruptcy or insolvency described in the Indenture.

In the case of an event of default arising from certain events of bankruptcy or insolvency, all outstanding Senior Notes will become due and payable immediately without further action or notice. If any other event of default occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the Senior Notes then outstanding may declare all the Senior Notes to be due and payable immediately.

Covenants

The Senior Notes and the Indenture will limit the Company's ability to, among other things:

- (1) effect a consolidation or merger; and
- (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its subsidiaries, taken as a whole (but for the avoidance of doubt, a pledge of an asset or property shall not be considered as a sale, assignment, transfer, conveyance or disposal of such asset or property).

Redemption

Optional Redemption

At its option, the Company may redeem the Senior Notes, in whole or in part, at any time or from time to time prior to their stated maturity. The redemption price for Senior Notes that are redeemed before 15 August 2028 will be equal to the greater of:

- (a) 100% of the principal amount of the Senior Notes to be redeemed; and
- (b) a “make-whole” amount as determined by an independent investment banker in accordance with the terms of the Indenture, plus in either case accrued and unpaid interest to, but not including, the redemption date.

Prior to 15 August 2028, the Company may redeem up to 35% of the aggregate principal amount of the Senior Notes with the net cash proceeds from certain equity offerings. On or after 15 August 2028, the Company may redeem the Senior Notes, in whole or in part, at a premium declining ratably to zero, plus accrued and unpaid interest to, but not including, the redemption date.

Gaming Redemption

Subject to certain conditions, if any Gaming Authority requires a holder or beneficial owner of the Senior Notes to be licensed, qualified or found suitable under any applicable Gaming Law and the holder or beneficial owner fails to apply or become licensed or qualified within the required time period or is notified that it will not be licensed, qualified or found suitable by any Gaming Authority, the Company will have the right to require the holder or beneficial owner to dispose of its Senior Notes or redeem the Senior Notes at a redemption price equal to the price required by applicable law or by order of any Gaming Authority or the lesser of the principal amount of the Senior Notes and the price that the holder or beneficial owner paid for the Senior Notes, in either case, together with accrued and unpaid interest on the Senior Notes.

Redemption for Tax Reasons

Subject to certain exceptions, the Company may redeem the Senior Notes upon 10–60 days of notice, as a whole but not in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but excluding the date fixed by the Company for redemption, if the Company would become obligated to pay certain additional amounts as a result of certain changes in specified tax laws or certain other circumstances.

The right in favor of the holders of the Senior Notes to require the Company to repurchase the Senior Notes

Although none of the Company's controlling shareholders (as defined in the Listing Rules), including WRL, are parties to the Purchase Agreement or the Indenture, the Indenture will contain a change of control provision that would, if triggered, give rise to a right in favor of the holders of the Senior Notes to require the Company to repurchase the Senior Notes at 101% of the principal amount thereof, plus accrued and unpaid interest, if any, up to but excluding the date of repurchase. The circumstances that will constitute a change of control include:

- (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries, taken as a whole, to any "person" (as that term is used in Section 13(d)(3) of the Exchange Act), other than to WRL or any of its affiliates;
- (2) the adoption of a plan relating to the liquidation or dissolution of the Company or any successor thereto;
- (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any "person" (as defined in clause (1) above), other than WRL or any affiliate of WRL becomes the beneficial owner, directly or indirectly, of more than 50% of the outstanding voting stock of the Company, measured by voting power rather than number of equity interests;
- (4) the first day on which a majority of the members of the board of directors of the Company are not directors who were on the board on the date of the Indenture, or directors who were nominated for election, or who were nominated, elected, or appointed by a majority of the directors who were on the board on the date of the Indenture at the time of such nomination, election or appointment;
- (5) the first day on which the Company ceases to own, directly or indirectly, at least 60% of the outstanding equity interests of (and at least a 60% economic interest in) WRM; or
- (6) the 30th day following the date on which the Company ceases to be entitled to use the "WYNN" trademark.

A person or group shall not be deemed to beneficially own the voting stock of the Company subject to a stock or asset purchase agreement, merger agreement, option agreement, warrant agreement or similar agreement until the completion of the relevant transaction under such agreement.

Special Put Option

Upon the occurrence of: (1) any event after which none of the Company or any subsidiary of the Company has such licenses, concessions, subconcessions or other permits or authorizations as are necessary for the Company and its subsidiaries to own or manage casino or gaming areas or operate casino games of fortune and chance in Macau in substantially the same manner and scope as the Company and its subsidiaries are entitled to on the date on which the Senior Notes are issued, for a period of ten consecutive days or more, and such event has a material adverse effect on the financial condition, business, properties, or results of operations of the Company and its subsidiaries, taken as a whole; or (2) the termination, rescission, revocation or modification of any licenses, concessions, subconcessions or other permits or authorizations relating to casino or gaming operations which has had a material adverse effect on the financial condition, business, properties, or results of operations of the Company and its subsidiaries, taken as a whole, each holder of the Senior Notes will have the right to require the Company to repurchase all or any part of such holder's Senior Notes at a purchase price in cash equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the date of repurchase.

REASONS FOR THE NOTES ISSUE AND PROPOSED USE OF PROCEEDS

The Company estimates that the net proceeds from the offering of the Senior Notes (after deducting discounts of the Initial Purchasers and estimated offering expenses payable by the Company), will be approximately US\$989.0 million. The Company intends to apply the net proceeds from the proposed offering for general corporate purposes, including to repay outstanding indebtedness, such as that under the WM Cayman II Revolver and/or one or more series of the existing notes.

LISTING

The Company is applying to the Stock Exchange for the listing of, and permission to deal in, the Senior Notes by way of debt issue to Professional Investors only, and has received an eligibility letter from the Stock Exchange for the listing of the Senior Notes. Admission of the Senior Notes to the Stock Exchange and quotation of the Senior Notes on the Stock Exchange are not to be taken as an indication of the merits of the Company or the Senior Notes.

GENERAL

The disclosure relating to the right in favor of the holders of the Senior Notes to require the Company to repurchase the Senior Notes is made pursuant to Rule 13.18 of the Listing Rules. In accordance with the requirements pursuant to Rule 13.21 of the Listing Rules, the Company will include appropriate disclosure in subsequent interim and annual reports for so long as the above-described right in favor of the holders of the Senior Notes continues to exist under the Indenture.

As the conditions precedent to completion of the Purchase Agreement may or may not be satisfied and the Purchase Agreement may be terminated upon the occurrence of certain events, shareholders of the Company and prospective investors are advised to exercise caution when dealing in the securities of the Company.
